

# LOCH RAVEN BUSINESS

## What to expect

Loch Raven's Business program is designed with you in mind. You will face exciting challenges, meet new people, and develop your communication skills and business acumen. You will gain exposure to virtually every aspect of business from Accounting and Management to Finance and Business Law. When completed, you will walk away knowing how to: start and run a business, write a business plan, write a contract, create financial statements and much more. You will be able to think strategically and act professionally. Students can also earn college credit through CCBC with satisfactory completion of the program. We hope to see you next year!
