

Loch Raven High School

Open House and Academic Planning Night

November 2020

Dear Parents and Guardians,

On Thursday, November 19, 2020, from 6:00pm to 8:00pm, Loch Raven High School will be hosting a virtual Open House and Academic Planning Night. This event will provide an overview of course offerings, special programs, and the registration process for parents of current 8th grade students who are zoned to attend LRHS and to parents of 9th, 10th, and 11th grade students currently attending LRHS. All students and parents are welcome and encouraged to attend.

The evening's program will begin with two opening sessions. One will provide an opportunity for our 8th grade families to meet with our school counselors to learn about our school, course registration, and all that LRHS has to offer. A student panel will join this session to answer questions and share their experiences with future Loch Raven Raiders. Eighth grade students can send questions they have about LRHS and high school in general prior to the Open House by accessing this survey link below. The other session will provide an overview to update our current Loch Raven Raiders and their families about course offerings, graduation requirements, special programs, and how students will register for their classes for next year. A series of live sessions and recorded videos on a variety of topics will be available for parents and students throughout the evening. The information shared during the evening will assist in the process of developing an appropriately challenging and rigorous schedule for your student's 2021-2022 school year at Loch Raven High School. The recorded resources and other helpful documents will be available on our website for viewing after this event at <https://lochravenhs.bcps.org/>

To access the live **8th Grade Open House session at 6:00 PM**, please use the Google Meets code: **LRHSOPENHOUSE2020**

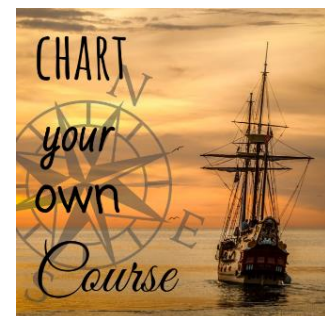

Survey link to pose questions prior to the Open House:
