1212 Cowpens Avenue • Baltimore, Maryland 21286

Fax: 443-809-5898

Dear Raider School Families,

In order to ensure a successful start to the school year, we recognize that there are materials that students will need in order to engage in virtual instruction. We will be distributing these materials on **Wednesday, September 16, 2020, 8:30 a.m. – 2:30 p.m.** Due to the large amount of materials that will be distributed, we will not be able to accommodate distributing materials for multiple families to one person.

In order to protect yourself and our staff, please be sure to wear a face covering when you come to school. If you drive to the school, remain in your vehicle unless you are directed to exit. If you walk to school, please follow the designated signs to pick-up the materials. While at school, please remain at least six feet away from other people. Do not bring friends with you; leave elementary children at home under the supervision of other family members, if possible. Finally, if you are ill or under isolation or quarantine because of your own illness or close contact with an individual with COVID-19, please do not come to school. Please contact the school to make alternative arrangements.

The drive-through distribution site will be located in the front bus loop of our school. Our pick-up/distribution will be divided into multiple stations based on courses. Begin at the **check-in and then proceed to materials pick-up stations for each content area that will distribute materials.** There will be staff and signage to help guide you through this process. Not all courses require materials to be picked up from the school. Only students who have the following courses listed on their schedules for first semester only should attend the materials pick up.

The guidelines for each station are listed below:

STATION #1 – Check-In

- The table at the first stop will be marked with a sign and will have a staff person checking your name to expedite the process.
- Families will print the student's first/last name in dark ink on a large piece of paper and place it on the dashboard.

STATIONS #2 through #7 – Materials Distribution

- These tables will be marked with signs.
- Remain in your car.
- If you are able to open your trunk without getting out of your car, our staff will place your child's materials in the trunk. (preferred)
- If you are unable to open your trunk without getting out of your car, our staff will place your child's school property in the back seat.
- Walking families will pick up student items at the designated location.

Loch Raven High School
